

The board of directors of Linkfire A/S postpones subscription deadline to 9 December in connection with directed issue for administrative reasons

Reference is made to the company announcement of 21 November 2022 describing the board of directors' resolution to issue shares in the directed issue. In the resolution, the deadline for subscription and payment of the cash consideration for the new shares was set to today 5 December 2022.

The Company has received subscriptions and payment from two of the three investors but for administrative reasons, payment from one investor has been delayed and will not be possible within the deadline.

As per agreement between the Company and each of the investors, the investor has received an extended deadline until 9 December 2022.
